Dear Mr. Hough and the Friends of Scotchman Peaks Wilderness

Please include the Spokane Mountaineers' endorsement of the Scotchman Peaks Wilderness. The club has long supported this effort both financially and through volunteer effort. Club members visit this area every year by hiking and backpacking and recognize its importance as a truly wild area of North Idaho that deserves permanent protection.

Sincerely,

A handwritten signature in black ink, appearing to read "Luke Bakken". The signature is fluid and cursive, with a long horizontal stroke at the end.
